## LINES OF DRINKS

**VITA PREMIUM** - The taste of freshly squeezed orange juice, with a high content of pulp, guaranteed enduring freshness and perpetual taste of quality.

**VITA** - Wellness line of drinks with vegetable, vegetable-fruit and fruit flavours, ready to be served in your healthy corner.

**VITA FRESH** - Fruit flavours prepared from only the best fruits, without added sugars and sweeteners, for individuals who live a healthy and active way of life.

**100 FRESH&COOL** - 100% Fruit content, energy reduced, without added sugars and sweeteners.

**GOLD PREMIUM & GOLD\*** - When you want to be uncompromisingly confident serving the flavours of nature to the most special guests.

**SILVER PREMIUM & SILVER** - The proven classics highly popular among many of our customers. Great for your business or family guests.

**DOUBLE MIX** - Offer something different and let your guests be inspired by combinations of two different flavours.

**PURPLE PREMIUM & PURPLE\*** - Various refreshing low-energy fruit flavour variations including the Premium\* Orange flavour.

**BLUE (AZZURO)** - Best-buy option for All-Inclusive hotels.

**COPPER** - Light version of non-carbonated fruit-flavoured drinks.

**VITAWELL** - Line of functional beverages intended for body hydration, enriched with vitamins (B2, B6, B12, C, D) and minerals (Mg, Zn) and without sugar.

**EXI BLACK** - Wide variety of carbonated drinks, including Alpen Jodler, Ginger Ale, and energy drink Lucky Wolf. Ready to be served as they are or mixed into cocktails.

**EXI WHITE** - Special sugar-free variety of cola, made from the best ingredients.

**EXI BROWN** - You won't have to think twice before serving these classic flavours to your most demanding business or leisure guests.

**EXI GREY** - Let your guests bubble up with a clear conscience. Offering the low-energy carbonated drinks is the right way to do so.

**EXI LIGHT** - Soft drinks with decreased energy value.

### ICE DRINKS

**ICE** - Granita is a perfect summer refreshment for the whole family. These colourful drinks-deserts give refreshment a whole new dimension.

### COCKTAIL DRINKS

**COCKTAIL MIX** - Endless possibility of mixing. With our Cocktail Mix line you have all you need to make a perfect cocktail.
